

CORNICE INSTALL INSTRUCTIONS

SIMPLY FOLLOW OUR STEP-BY-STEP INSTRUCTIONS AND YOUR BEAUTIFUL NEW CORNICE WILL SOON BE ENHANCING YOUR HOME OR WORKSPACE FOR MANY YEARS TO COME.

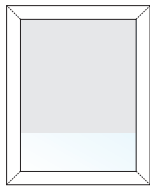

Getting Started:

Carefully unpack your cornice and check to make sure you have the following installation parts. We recommend reading through these instructions before starting the installation.

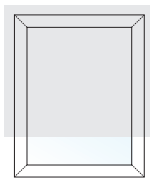

Parts Included:

- Mounting screws
- Mount brackets /angle irons (outside mount only)

Please note that if additional support brackets have been supplied (for wide cornices only) center the additional support brackets between the far left and right brackets.

INSIDE MOUNT

OUTSIDE MOUNT

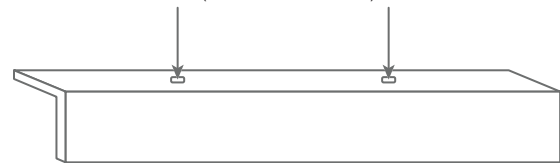

Tools You Will Need:

- Drill with a 1/8" bit & a Phillips bit
- Phillips screwdriver
- Metal tape measure

MOUNTING BRACKETS (OUTSIDE MOUNT ONLY)

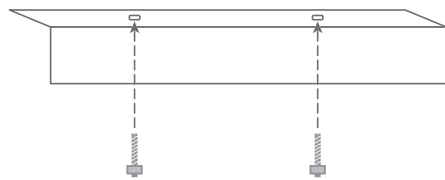

PRE-DRILLED HOLES (INSIDE MOUNT ONLY)

I. Mounting Your Cornice:

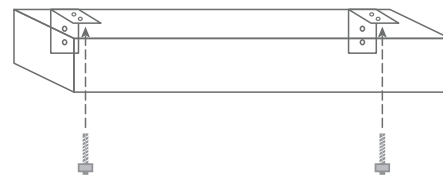

Inside Mount: The mounting holes are pre-drilled through the top of the cornice. Start the screws into the mounting holes and tighten until the tips or the screws are slightly showing on the top of the cornice. Hold the cornice inside the window frame. The cornice should be centered within the window frame. With the cornice properly positioned, push up on the head rail allowing the screw tips to leave a small indentation on the window frame. Drill holes with a 1/8" drill at the indentations. Finish the job by drilling the screws in the head rail into the pre-drilled holes.

Outside Mount: The cornice will be hung /attached to the window frame or wall with the mounting brackets (angle irons) included. Attach the brackets to the wall or window frame at the desired height. Attach the brackets using the long screws provided, making sure the brackets are level with each other.

Set the head rail /top of cornice on the brackets. Center the cornice against the wall or window frame. Attach the cornice to the brackets using the short screws provided.

Care and Cleaning:

Minimal care and cleaning is needed to maintain the beauty of your cornice. **To vacuum:** Use a hand held, low suction vacuum. **To dust:** Use a soft, clean cloth or a feather duster.

Warranty:

The Shade Store products are covered by a limited lifetime warranty. This warranty covers any defects in materials or workmanship so long as the product is measured and installed according to instructions. Every Shade Store window treatment is designed to provide trouble-free use. In the unlikely event that warranty service is ever needed, simply contact the Help Desk at help@theshadestore.com or 800-754-1455 for assistance.
